DISCLAIMER

This press release contains forward-looking statements (as defined in the United States Private Securities Litigation Reform Act, as amended) based upon current management expectations. Numerous risks, uncertainties and other factors (including, risks relating to: government legislation affecting our businesses; competition; our ability to manage rapid technological change in the industries in which we compete; litigation risks, labour issues; unanticipated costs from disposals or restructuring) may cause actual results to differ materially from those anticipated, projected or implied in or by the forward-looking statements. Many of the factors that will determine our future results are beyond our ability to control or predict. These forward-looking statements are subject to risks and uncertainties and, therefore, actual results may differ materially from our forward-looking statements. You should not place undue reliance on forward-looking statements which reflect our views only as of the date of this presentation. We undertake no obligation to revise or update any forward-looking statements, or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.
