

## HUBERT GIRAUD

### Executive Vice-President – Resources and Integration

Hubert Giraud is EVP, Resources and Integration. He is a member of Altran's Global Executive Team and member of the Capgemini Group Executive Committee.

Prior to joining Altran, he was a member of the Group Executive Board and CHRO at Capgemini. Previously Hubert created and managed the Business Process Outsourcing strategic business unit. A specialist in operational, financial and legal management, he joined Capgemini in 1998 to lead its Group's Corporate Development & Risk department.

After several positions held in the French public sector, Hubert joined Societe Generale, as head of Public financing in 1990. In 1993, he was appointed Chief Operations Officer of GEMPLUS (today Gemalto).

Hubert is a graduate of both the Ecole Nationale d'Administration and Institut d'Etudes Politiques de Paris.
