

William ROZE

Executive Vice-President, Chief Operating Officer Europe

William Rozé is Executive Vice-President, Chief Operating Officer Europe, leading the deployment of Altran's models across the newly structured geographical clusters. He has been a member of the Group Executive Committee since 2016.

He started his career in 1995 as a Regional Director for Ofup.

William Rozé joined the Altran group in 2001, developing until 2004 the activities in Aeronautics, Space and Defense, and managing a French subsidiary. In 2006, he became Managing Director for the South-West region of Altran France, after having prepared the merging of local entities.

Appointed Executive Director for France regions in 2008, he drove the continuous evolution of Altran France towards a homogeneous organization. In 2012, he became Chief Operating Officer for Altran France.

In 2015, he was appointed Chief Executive Officer for France.

William Rozé is graduated from INSEEC Bordeaux, from the Fordham University in New York and from Paris-Dauphine University with a third cycle degree.
